

Flint Steelheaders Foundation Scholarship Program

The Flint Steelheaders Foundation offers a Scholarship Program to Students who are majoring in an area of fresh water marine biology, law enforcement (regarding conservation), or water pollution and water quality at a Michigan College or University.

1. To qualify for this Scholarship the Student must have achieved at least a Junior status.
2. Applications in the form of a short essay shall be presented to the “Steelheaders” Board of Directors for review. The Board will select the successful applicant(s) for this grant(s).
3. The application essay should briefly describe the applicant’s experiences in the field and their intentions and goals for their careers.
4. Successful applicants may be asked from time to time to make an appearance, to present their educational progress, as related to the Scholarships’ intentions, to the Foundation or its Membership.
5. Applications must be received by January 31, of the qualifying year. (Students qualifying Junior status in the Spring Semester, of that year, will be considered qualified). All applications will be presented to the Steelheaders’ Board of Directors.
6. Applicants will be notified on or after the Second Wednesday of the month of March.
7. Formal Presentation of the Scholarship(s) will take place at our Annual Membership Meeting held on the third Wednesday of the Month of April. Successful applicants will be asked to attend.
8. Scholarships generally are based at a minimum of \$2000.00 but, can vary in value, due to year to year fund raising efforts.

Applications shall be sent to the following address or can be emailed in MSWord
